

Use of Hing Hay Park, Seattle's Chinatown International District

The purpose of this survey is to better understand how Hing Hay Park, in Seattle's Chinatown International District, is currently used and what expectations community members have for its redevelopment. The survey is being conducted by a graduate student at the University of Washington. It is anonymous and the results will be only used for design research. It will only take about 10-15 minutes to complete this survey.

Thank you for your time and participation!
