El grillo

The cricket is an excellent singer, but unlike other birds, always remains in the same place. And when the heat is at its height, then he sings, but only for love.

S'io ti vedess' una sol

Ah, could my eyes behold thee every morning, contented would my heart at evening rest. Farurera, Farurera, fairest blossom of spring.

Vorria che tu contass una canzon

I wish you would sing me a song when you play me the viola, and that you would say, fa mi la mi sol...
