

25th Light N. W. & fine weather

at 7 AM called on Aunt  
Medu, Maria & on Elizabeth Crossin  
& came on board at 9 1/2  
The Phoebe arrived at 7 am  
Water has fallen about 3  
Inches - Went home at 11  
at 3 P.M. called on Alice & Sister  
Emilia & returned at 6 P.M.  
Weather warm & calm  
Plenty of Mosquitoes all the  
town is full, we never had  
such a year as this, Jan  
the rise of the river has been  
very high & extraordinary

26th Holy day of Corpus Christi,  
the Queen of England's Birthday  
Went to Church at 6 1/2 and  
at 7 1/2 came on board  
We took in Cargo yesterday  
I did not go to the

Here note by the President  
of the Board of Trade from 1800  
to 1801

The river fell during yesterday  
and is now at 10 feet  
at about 2 feet below the highest  
of the winter season  
The water is now very low  
and the boats are in danger  
of being stranded  
The water is now very low  
and the boats are in danger  
of being stranded

of being stranded

May 21st Light N.W. & fine weather

23rd at 7 am called on Anton  
Medonnam & on Eliza Aronson  
& came on board at 9 1/2  
The boat arrived at 7 am  
River has fallen about 3  
feet - Went home at 11  
at 3 P.M. called on Alice & Peter  
Emilia & returned at 6 P.M.  
Weather warm & calm  
Plenty of Mosquitoes all the  
town is full, we never had  
such a year as this, Jan  
the rise of the river has been  
very high & extraordinary

24th Holy day of Corpus Domini,  
& the Queen of England's birthday  
Went to Church at 6 1/2 and  
at 7 1/2 came on board  
We took in Cargo yesterday  
& did not go to the

Letter told by the President  
Colonel Mockler from 8 till  
10 AM

The river fell since yesterday  
on more level, it is now  
about 2 feet below its highest  
rise - At 10 went home  
& then called on the Honorable  
Sanford's family & came  
home some people called  
I went to the Office to see Mr.  
Cloutier for some alterations in  
List of Cargo etc & came home  
at 1 1/2 P.M. came on board  
We are shipping Cargo  
at 4 went home & called on Sister  
Medonnam & then to Sister Eliza  
where my wife & Almonson  
were all the time before we started  
at 7 1/2 P.M. Very calm &  
warm weather, plenty of  
Mosquitoes

25th Light N.W. & fine weather at 7 am  
called on Catherine Stangogh  
youngster brother came to  
see us & then called on  
the sister Medonnam from  
Constantine the day

1894 That My brother, Alexander  
 in More recent years, Otto  
 May I must only by himself as  
 he had written to me, he  
 called on Darwin & spent  
 the day & part of the night with  
 his & his husband, Father  
 Frank Farrow. I came  
 on board at 7 pm. I was here  
 at 8 pm. I saw the flock Alexander  
 & must have his letters taken  
 by Percy Blair who is taking  
 good photographs. I think  
 but it takes in full developing  
 of a cabinet size the negative  
 looks good. Coburn & Colin  
 called in the evening. Weather  
 calm & warm but below  
 wind light at 9 pm. Cool with  
 a light N.W. breeze.

28  
 Wed  
 and 5th morning - We  
 missed 255 Balw of Wood  
 from Lynch's Pier, The  
 river has fallen here a little,  
 at 7.45 left Amara  
 Very light N.W. breeze,  
 am still sleeping in the cabin  
 it is very warm though  
 At 10.15 Anchored above  
 Malot Sails

29  
 Tues  
 11th 75  
 Light N.W. & fair, at 4 AM  
 proceeded, took 3 passengers  
 from Malot, light air  
 & plenty of flies, took 15 passengers  
 from Amara  
 At 7 arrived at Agair  
 landed 47 passengers  
 At 7.45 proceeded  
 At 10.30 Anchored off  
 found landed 3 passengers &  
 26 passengers. Weather at 11  
 calm & windless  
 at noon a light N.W. breeze  
 up  
 At 2.45 PM Arrived

at Barrick, the Mails to  
 Sencha & the Chatel-Moak for  
 Barbey Andrews are made,  
 latest applications for Calcutta  
 again at Malot. Various other  
 are prepared, 27, with some  
 to be made. Most of the  
 passengers up with us this time  
 the big boat going to be our last  
 last time with the many passengers  
 at Malot, we went with 2 passengers  
 to the Malot, 2 others in the  
 way at Malot at 10.15, they  
 were seen at 10.15, left at 7  
 for Malot, the boat, Calcutta  
 from Malot, Malot, Malot, Malot  
 was sailing boat in 2 p. day  
 Malot, Malot, Malot

1094  
May  
arrives to Rufail & Sukhyeh, also  
saw Yauy, Marimellu, Yauy  
Yhu, Yauy, his wife & Sister  
Medulla & other visitors were  
there. The weather became  
very calm warm & damp.  
Heavy dew is falling.  
Met on top of the stone bow  
that Rufail has built last  
year.

30  
Wedn  
Light N.W. & Sultry weather  
at 6 1/2 am I came on board  
finding the ship full of  
passengers all the upper  
deck. Most of them however  
through tickets. Very hot  
days. The S. Malabar  
arrived from Alway at 4 1/2 pm  
at 5 pm the S. J. Phad's Barge  
arrived from Baghor.  
The lower deck & Spoons  
are also getting full with  
passengers, about 40 come  
in the Malabar. It  
hardly but unable to  
visit in the Calicut one

The ground in my  
Cabin was 79 at 4 P.M. The  
ground on board is 79. The  
people are clamoring when I  
near my cabin. 10. Letter  
from James came with us, and  
said that he has got his share of 70  
pounds. Longman's boy by a telegram  
said that he had heard of 7  
pounds. The weather is very calm  
and warm.

I shall be back

at 8 P.M. I got my bag

1897  
May  
Gave tickets to the rest of the  
passengers

At 7.30 anchored off Oyar 7  
landed 21 Jews in the Boats  
and took 18 of the Return  
Jews (9 of the Khalifah).

At 8.20 left Oyar - a light  
N.W breeze prevailing.

At 2.40 P.M. landed 2 passengers  
at Kholo's Lalla - 425/2

We have altogether 425/2  
passengers (8 in 1st Class

Cabin 2 Passengers in one, 2  
Mohommedans in one 2 other

Mohommedans in one, 19 Sutton  
returning, 2 100 Ryck Cayen

in one, and 4 2nd Class 2 in the  
one Cabin 2 on the after

upper deck. There are 159 1/2  
with through tickets.

At 6.30 P.M. Arrived at  
Amora landed 25 1/2 passengers

and 521 packages (500 1/2  
being Bundles of Wool Iron

for Lynch's wool Press.

We shipped 21 Bales of

Wool & some Wicks. Light  
N.W. & fine weather.

At 9.15 left Amora  
with N.W. & fine night. It is not so

warm in my cabin but the heat  
smell of the Jews outside of my Cabin

is horrible. There are mosquitoes  
too.

Light N.W. & fine. At 3.10  
1st AM passed all Gibraltar

Gave tickets to my Amora  
Passengers. Besides the 25

passengers of Amora. 25 1/2  
of Amora. 25 1/2 of Amora. 25 1/2

of Amora. 25 1/2 of Amora. 25 1/2  
of Amora. 25 1/2 of Amora. 25 1/2

of Amora. 25 1/2 of Amora. 25 1/2  
of Amora. 25 1/2 of Amora. 25 1/2

Continued 2 Mowans in one, 2  
 Micromys in one 2 other  
 Mowans in one, 20. Sutton  
 4 Furrows, 4 1/2 1/4 1/2  
 in one, and 4 2 2 2 in the  
 one below 2 on the after  
 upper deck, there are 169 1/2  
 with Mowans tickets.

At 6.30 P.M. Arrived at  
 Amara landed 25 1/2 passengers  
 and 521 packages (500 lbs)  
 being Bunches of Wool from  
 the Lynch's Wool Press.  
 We shipped 21 Bales of

1600 lb of fine Wools - Light  
 N.W. & fine weather.

At 9.15 left Amara  
 made N.W. & fine night, it is not so  
 warm in my cabin but the bad  
 smell of the Jews outside of my cabin  
 is horrible, there are mosquitoes

June 14 - Light N.W. & fine - at 5.10  
 A.M. passed all the  
 gave tickets to 47 Amara  
 passengers, besides the 20  
 of Mowans. Effendi, Mowans of  
 Custom House of Amara (paid  
 by Mowans) who is going  
 with the tickets in 1st class from  
 Baluch with M. Mowans and  
 of absolutely no value to  
 Mowans. I carried 1 passenger  
 at Amara, a good one  
 went on Mowans 27 10.  
 fine wind blowing.  
 At 6.50 landed 2 passengers  
 at Sheikh Layal & went by  
 at 6.55 - Light N.W. and  
 fine weather. There are few clouds  
 hanging on. Left one passenger  
 John Smith Coast

1894  
 June 2  
 Sat. Mo. 4. 81

Sight N.W. & fine, but rather  
 sultry - at 3.45 am we  
 arrived & anchored off Coos  
 landed 15 passengers in  
 the boat & Gaffins, many  
 passengers came & notice  
 no place to settle keep very  
 crowded & awful confusion  
 at 4.45 left Coos gave  
 notice to 30 passengers  
 at 5.40 passed the S.S.  
 Messel & Barge going down  
 were shifted to Coasting Mistle  
 & then again to N.W.  
 at 1.35 pm landed and  
 passengers at Bughels and  
 went on at 1.40  
 at 2.10 passed Menthak  
 Sight N.W. & fine weather  
 the breeze has fallen very little  
 since 10.45 Bughels about  
 6 miles

3  
 Sun. Mo. 4. 71

at 1. PM passed Azizick  
 at 5.5 passed Bage. dardick  
 at 9.30 passed the S.S.

Whalifain going down, she  
 appeared light & having few  
 passengers  
 at 3.20 PM passed (the ship)  
 the line is passing here about  
 1/2 foot below the water  
 height of the fine line is  
 weather & sultry  
 at 6.45 passed Bage. dardick  
 clouds on the North & West  
 part of an evening breeze  
 from the North. Weather  
 to get cloudy in passing  
 did not come down with  
 later clouds coming over

At 1.30 PM passed ...  
passengers at ...  
Went on at 1.40

At 2.10 passed ...  
Light ...  
The hair has fallen very little  
since we left ... about  
6 inches

his house in ...

1894  
 21st: I m. land: marks  
 at the Presidency looking  
 for my & servant Thomas  
 got into a Joffa & Craig  
 over a corner house, James  
 Allen, Alexander all well  
 my three of Luther's coming  
 up from Rufus's telegram  
 we went on top of the house  
 but I could not sleep at  
 all, although it got fine  
 & cool, but wind was hard  
 S.W.

1  
 4  
 Mon  
 Nov. 20  
 Which shifted to N.W. at 5  
 am; lots of people called  
 on us up till 10 am. When  
 I came on board, the S.S.  
 Dagwood & Pittsford are  
 inside & both Ahir's yesterday  
 about 2 hours before us  
 The rain has fallen about  
 one foot since we left  
 port here; at 11 I went  
 home; Alexander is suffering  
 in belly the tooth aches

one of the prisoners on the left  
 lower deck is getting discouraged  
 yet will have to be drawn  
 out. The other deserters  
 each he has now got and  
 he is only 16 years old  
 today. At 11 P.M. I  
 went to the office to the Clerk for  
 some money so we are  
 prepared for this month only  
 without a dollar as it  
 would be the money of  
 money in the house  
 to pay the rest of the crew

Magazine & newspapers are  
valuable & both absent yesterday  
about 2 hours before us  
The river has fallen about  
one foot since we left  
last evening at 11 o'clock  
home; Alexander is suffering  
infully from tooth ache

one of the privates on the left  
lower jaw is getting decayed  
& it will have to be drawn  
out this is the first tooth  
ache he has had yet and  
he is only 16 years next  
July at 4 P.M. I went  
to the office to Mr. Clarke for  
some money as we are  
paying for this month only  
\$1.00 at 24 Picatus as it  
won't be in the brigade &  
require an other \$100.00  
to pay the rest of the crew  
I came home at 5 P.M. Arthur  
John & Anthony Sawyer  
called on us in the evening  
right N.W. boys with  
Paul Clarke, few drops of heroin  
came down about midnight  
Next M.W. a fine cool  
morning; at 4 P.M. I called  
on Mr. Clarke & on Medals  
to the office then I came home with  
John, Arthur & Alice. Many  
people called to see Lutzsch

16  
Lutzsch  
the office

U

1894 Middle N.W. & fine cool morning

June 8 Middle N.W. & fine cool morning

at 7 am I came on board being Friday no Customs

Monday - The 11. Resafah

at 8 went home, took Aliya and

Lustya & called on Antonio

Martin & then on Nassou

& Mina Aboud & came home

at 10. Took a warm bath.

at night time but was

not so cool & refreshing

Monday 24th wind & fine

weather; at 7 am called

Subhan Masha & then came

on board.

Monday 25th morning

the Persian pilgrims are

coming in they have passed

across the bridge of Nicolson

to Harbanyan & then they

come to the bridge pass on

the bridge & through the

town to the sea thence to

Christiana & ferry across

to the island.

Monday 26th & fine, it increased

at night time but was

not so cool & refreshing

Monday 27th wind & fine

weather; at 7 am called

Subhan Masha & then came

on board.

Monday 28th morning

the Persian pilgrims are

coming in they have passed

across the bridge of Nicolson

to Harbanyan & then they

come to the bridge pass on

the bridge & through the

town to the sea thence to

Christiana & ferry across

to the island.

1895 The river is falling very rapidly  
June at 11 p. went down to the wharf  
and came back at 12 p. but  
we shipped down 1100 lbs  
Cargo & got over 1400 lbs  
At 6 p. went home, weather  
was very warm today  
the wind having died  
away, but it got up in the  
evening, jolney & Artair  
called in the evening.

10 Moods N.W. & fine weather  
Sunday At 3 p. Am. & Com. on board

Baghdad to Basrah

At 4.15 Am. left Baghdad  
light rain & fine weather  
At 5 passed the 11. Phrat &  
Barrage going up  
At 5.55 passed Kibal  
At 7.5 passed Chirphon  
The first sand bank island  
appears opposite Chirphon  
There is still a large mass

of water in the desert at  
Kilencia; it is draining  
into the river & is getting lower  
At 7.30 we stopped at  
Beyrjeh. Below Chirphon  
landed 20 persons free being  
the family of St. Melodi. They  
both banks are crowded  
with Persian pilgrims ferrying  
across in sailing boats and  
the main markets are  
many jaffas but the majority  
are white in the boat bank  
the Persian Consul & some  
Captains are also here. Several  
other officers were there  
with them. It is a

Sunday

At 3 p.m. from ...

Baghdad to Basra

At 4.15 AM left Baghdad  
...  
At 5 passed the S. Phrat &  
Buzurg going up  
At 5.55 passed Hiala  
At 7.5 passed Chisphon  
The first sand bank island  
appears opposite Chisphon  
There is still a large mass

انصار  
قوة

of water in the desert at  
Seleucia; it is draining  
into the river & is getting more  
less

At 7.30 We stopped at  
Beyasych below Chisphon &  
found 20 persons free being  
the family of St. Melochi They  
both banks are crowded  
with Persian pilgrims ferrying  
across in sailing boats and  
two main land routes are  
many jaffas but the majority  
are still on the East bank  
The Persian Consul & large  
Haptoghis are also here  
They offered us a Heron to  
each person if we crossed  
them over in the middle  
There are about 2000 of them  
boundly destined We went on  
at 7.45

gave bottles to the passengers  
We have altogether 95  
14 in 1st Class, 3 Indians and  
an Armenian employed in  
the tobacco region Persia  
His name is J. Z. Herzogwitz

1279 At 10.50 passed the Pt Whalifah  
at Suva going up, the house  
filled up on the quarter. There  
is on top of the house, I saw  
Effie my niece & her husband  
Mr. Miles going up, they have  
lost their little son few days  
ago (on last Thursday will be  
his grand observation & passing  
they are going for a (change)  
of few days.

At 11.50 passed Baghulachek  
Port At 1.10 passed Agizik

At 3.20 passed Mardalah  
Weather became very warm  
& calm,

At 5.50 passed the St. Michael  
& large vessel up

At 9.5 arrived at Coof  
landed 137 passengers & 56  
passengers remained here for  
the night, the weather is very  
warm & calm. I felt the  
heat all fully in my Calum  
& plenty of Mosquitoes

11 At 3 AM left Coof very  
light & dry for a while  
The Whalifah have 15970  
of George & 5777 passengers  
the passengers from  
Coof, the boat 500  
passengers from Coof  
At 11.10 left the  
at 11.10 left the

At 8.30 found the H. Wood  
a large volume of  
At 9.5 arrived at Coof  
landed 13 passengers & 56  
for the night, the weather is very  
warm & calm, felt the  
heat as fully in my cabin  
& plenty of mosquitoes.

11  
Monday  
May 22

At 3 AM left Coof very  
light & dry fine weather  
The Whalipoh had 13996  
of cargo & 377 passengers  
The passengers from  
Coof, the took 56 return  
passengers from Coof.

At 9.15 rounded a point along  
the coast of Ala. The  
2000 covers of the  
for the

At 11.10 left Ala. The  
the 2000 covers & 377 passengers  
& two passengers  
light & dry weather  
at about 2 PM the sky  
to W. but very light & dry  
the air still with sultry weather

At 6 PM arrived at Amago  
landed 39 passengers and

passengers (288 days of  
at least as to the hours for  
the government for building  
the new route constructed  
for the  
also landed 10 mules for

1894. viz the negroes of the British  
 June to join the forces of the British  
 to those of the French, but to  
 with them about 1000  
 containing some of the  
 best antiquaries the law &  
 discover at Yellow Knop  
 as Martine & Jettens states  
 the all inscribed. On  
 day two that two British  
 loads of stones & several  
 tablets the wind blowing  
 & brought down him and  
 Conington to the Turkish  
 (the latter certainly picked the  
 best pieces for the present  
 museum)

13  
 Wedn  
 The Percipale left at 9 P.M.  
 Very light air & warm & sultry  
 disagreeable weather  
 at 9 AM I am on board  
 but passengers are coming  
 & matter is the fully wearing  
 & not refreshing at all  
 am sweating all the day.

The British cargo by 2 P.M.  
 at St. Michael's Arise  
 from the Harour. It  
 for passengers from the  
 about 10 AM. It  
 upon the shore of the  
 by the same down the  
 way of the British & the  
 the British of the soldiers  
 British of the same  
 I am at the  
 of the British of the  
 of the British of the  
 of the British of the

13  
Watu

The ship left at 9 P.M.  
Very light air & warm sultry  
dewy variable weather  
at 7 am. Passengers on board  
few passengers are coming  
Weather is also fully warm  
& not refreshing at all  
and sultry all the day.

We finished cargo by 2 P.M.  
at 3 the St. Modarrie Arrive  
from the Haroon, Negro  
few passengers from the  
Spout Nufant Rucath, et  
Carnal. The Alca Medry  
Ray tubo come down the  
way of Kiltch & Kivanylo  
we will go to South. With  
the antiquities of Alcolaban  
& Sollow (of Sollow).

March 1. Day 10

at 5.45 P.M. at 10.45  
proceeds. Shifts light  
at about 3 but the  
Weather warm & damp  
at 10 P.M. land on passage  
at 10.45

14  
Thana

at 11.30 am. Arrive in  
vicinity of the country being  
Thana flood & brush not visible  
at 2.45 P.M. light  
the brush but the day is very  
warm. The country is the  
highest of the land.
