cgdk rejects hanor's proposal

beijing, january 24 (xinhua) -- the coalition government of democratic kampuchea (cgdk) has rejected a vietnamese proposal for direct talks between the cgdk and phnom penh's heng samrin regime, radio democratic kampuchea today quoted a cgdk foreign ministry spokesman as saying thursday.

the spokesman said vietnam recently proposed that talks be held between the heng samrin regime and the tripartite cgdk.

the spokesman said the international community has come to know better cgdk's sincerity in seeking a political solution to the kampuchean issue after reading the eight-point proposal offered by the cgdk in march last year. enditem

Bravo pour cette pratique qui nous a coûté si cher en 1975 → 1979! Coalition.
