PRESS RELEASE

Chairman of Sam-Rainsy Party Committee in charge of Public Works, Transportation, Telecommunications and Posts, Industry, Mines, Energy, and Constructions, publicly declares that:

- Due to continuation of the construction and sale of business buildings located around the National Olympic Stadium by Yuam Tay Civil Construction Company.
- Due to the illegality and corruption on the contract between Royal Government Representative and also Minister of Education, Youth, and Sports, Mr. TOL Lors, and Yuam Tay Civil Construction Company concerning to the transfer of land around the National Olympic Stadium to the Company for constructing business buildings and hotels for rent and sale, dated on 29 May 2000.
- Due to the complaints from people of all different levels request Royal Government to immediately discontinue this corruption, because it destroys the beauty of national historic achievement, and it causes unclean environment to the health-training areas.

I declare as followings:

1. Advise all Khmer and foreign business people not to purchase or rent all those business buildings and hotels, completed or uncompleted, located around the National Olympic Stadium, because these constructions are illegally contracted and corrupted. After July 2003 elections, the new and clean government, will not be responsible for any damages after those buildings were demolished.
2. Request Yuam Tay Civil Construction Company to immediately discontinue its construction and sales or rent buildings located around the National Olympic Stadium. Otherwise, the company will pay all the expenses on the demolition and cleaning in those construction areas.
