Dear Mr. Callaway:

Enclosed please find three copies of the Phnom Penh Post with the Australian insert included. Also, please accept my sincere apologies for not getting these to you sooner; there is no excuse for not treating one of our advertisers more professionally and I take full responsibility for not having done so.

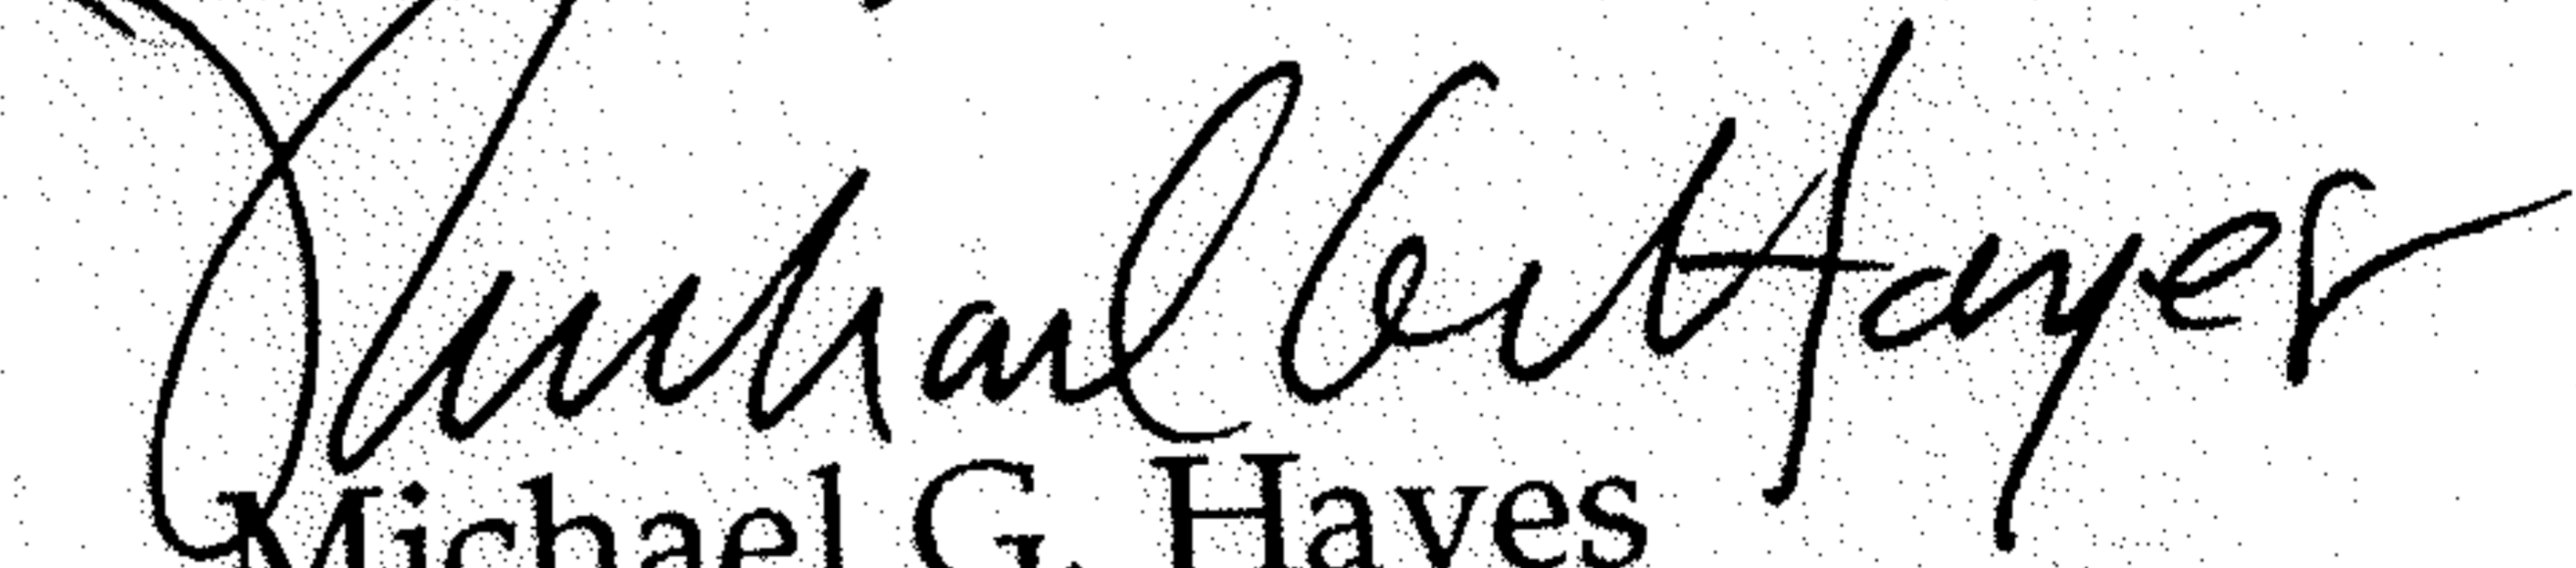

Just in case you haven't heard, the Australian insert was very well-received here in Cambodia both by the Embassy and our general readership. As well, we gave 300 extra copies to the Australian Embassy for distribution both here and 'down under'.

Enclosed is our invoice for the advertisement. What would be most convenient for us is if you pay in Thai baht (at whatever is the going rate of exchange at the time of payment) and mail the check to our P.O. Box listed above in Bangkok. If payment in Thai baht is not convenient, a US dollar check is alright.

Please let me know if you would like any additional copies of the insert or the entire paper with insert enclosed.

On behalf of all of us here at the Post, thank you for advertising with us. Rest assured that your support was greatly appreciated, in spite of our negligence in getting the final product to you in a timely manner.

Sincerely,

Michael G. Hayes
