

ACDA members attending the Bicentennial Celebration at Interlochen July 19-24, 1976 are in for some special treats. In addition to the grand finale performance of the commissioned work for chorus and orchestra by Lukas Foss and the already advertised daily American Music Sessions, participants will have an opportunity to meet eminent choral conductors from foreign countries who will be attending as official ambassadors from their country to this event. They will also hear an outstanding American children's choir and a wide range of representative choral groups from America's past and present. Where could one better experience this once-in-a-lifetime celebration than in the lovely and historic setting of the National Music Camp at Interlochen? Members are urged to register as early as possible through the Executive Secretary's office, P.O. Box 17736, Tampa, Florida 33612. Let's have 1,000 choral conductors at Interlochen!
