Dear Sir or Madame,

Re: Donation of a prize for the ISPP Raffle

The International School of Phnom Penh (ISPP) was established to educate the expatriate children residing in Phnom Penh. Most of the parents of the students work in international organizations, business and embassies in Phnom Penh. The school currently has more than 260 students from over 30 countries. ISPP does not receive any funding from outside agencies or governments.

ISPP is organizing our annual fund raising Raffle and we would be pleased if your business could donate a prize for this event. Our Raffle coincides with our Variety Night Program on 06 December 1996 and the winning tickets will be drawn at the end of the evening. Our appreciation of your donation will be fully promoted before and on the day of the draw, by announcements in our weekly newsletter and Cambodia Daily.

We appreciate your business support of our school.

Thank you for your time.

Warmest Regards,

Inthaprate
