**FACTORY FORCES 27 WORKERS TO "RESIGN"**

27 workers from the Taiwanese owned Zheng Yong garment factory (#4 National Road #5, Tel. 023 430 194) were forced to resign on May 27, 1999. On May 26 the workers left early from an extra overtime shift they had been forced to work, when the power failed at the factory for over one hour. The workers asked for and received permission to leave early. The next day the workers were told they had to sign a resignation form or they would not receive their full final paycheque. The workers signed the forms but insist that they were wrongfully dismissed and should be able to return to their jobs or receive their legally due compensation for being fired.

Because numerous workers representatives have been fired by the factory management, the workers appealed to the Free Trade Union of Workers of the Kingdom of Cambodia for assistance. The Union has been unable to negotiate a solution and will assist the workers in filing a legal complaint against the factory.
