COALITION GOVERNMENT OF DEMOCRATIC KAMPUCHEA

OFFICE OF
THE PRIME MINISTER

Statement of H.E. SON SANN
Prime Minister of the Coalition
Government of Democratic Kampuchea

In all his actions, the Prime Minister of the Coalition Government of Democratic Kampuchea (CGDK) and President of the Khmer People's National Liberation Front (KPNLF) has constantly and as a priority searched for a political solution to the Cambodian drama, created by the occupation of the Khmer national territory by the Vietnamese Armed forces. Any initiative aiming at ending rapidly the misfortunes of the Khmer people who have been suffering since 1970 and leading to the withdrawal of all the Vietnamese troops is welcomed. To this effect, the CGDK Prime Minister and KPNLF President has always morally, politically and diplomatically supported the initiatives of the Peace-loving countries, respectful of the UN Charter, mainly the ASEAN countries, the People's Republic of China, the United States of America, Japan, the EEC countries, Australia, New Zealand etc...

The outlines of this just view has been materialized by the consecutive UN General Assembly Resolutions since 1979 and that of the International Conference on Kampuchea in 1981 and essentially by the 8 point peace proposal put forward by the Coalition Government of Democratic Kampuchea, March 17, 1986, which as a flexible and comprehensive proposal, takes into account the interests of all parties concerned.

Recently H.E. Mochtar Kusumaatmadja, Minister for Foreign Affairs of Indonesia, reiterated the idea of the Cocktail Party, in order to attempt once more to find an exit way for the Khmer problem, by offering Jakarta as a venue of an informal reception for those who are involved in the Conflict. We are very pleased with such an initiative taken with the conviction of helping in the search for a solution to the Cambodian Conflict, by H.E. Mochtar who has been making so much efforts since many years, and we would be very glad if the Vietnamese party accepted the invitation to participate in the Cocktail party .
