La Queue en Brie 13 th. January 1993

Dear Mr. & Mrs. Hayes

Since we met in P.PENH, and enjoyed a very nice talk, my wife and I had an opportunity to visit Kg. Tralach, my former constituency. We had the surprise to see that people still remembered us and went spontaneously to converse with us.

As scheduled, we returned to Paris on Dec. 28 th. and were busy with the last issue of Le Salut Khmer. Then, I sent you yesterday the 61-62 Nr. with the last events and commentaries. If you like, please feel free to translate in English and print what you think is interesting to your reader.

I also enclosed an advertising for our Cambodian League of human and citizen rights and a Cambodian article of social interest to be printed - if you agree of course - in your paper. In return, I will publish your advertisement as soon as you send it to me.

As you will remark, we have now a bureau of our League to  
4 Ae 1 rue 111 Sangkat Boeng Prâlit Khand 7 janvier Phnom Penh.

At this address you can contact: (but you need interpreter)

Mr. Neang Luong Srun President of the Bureau

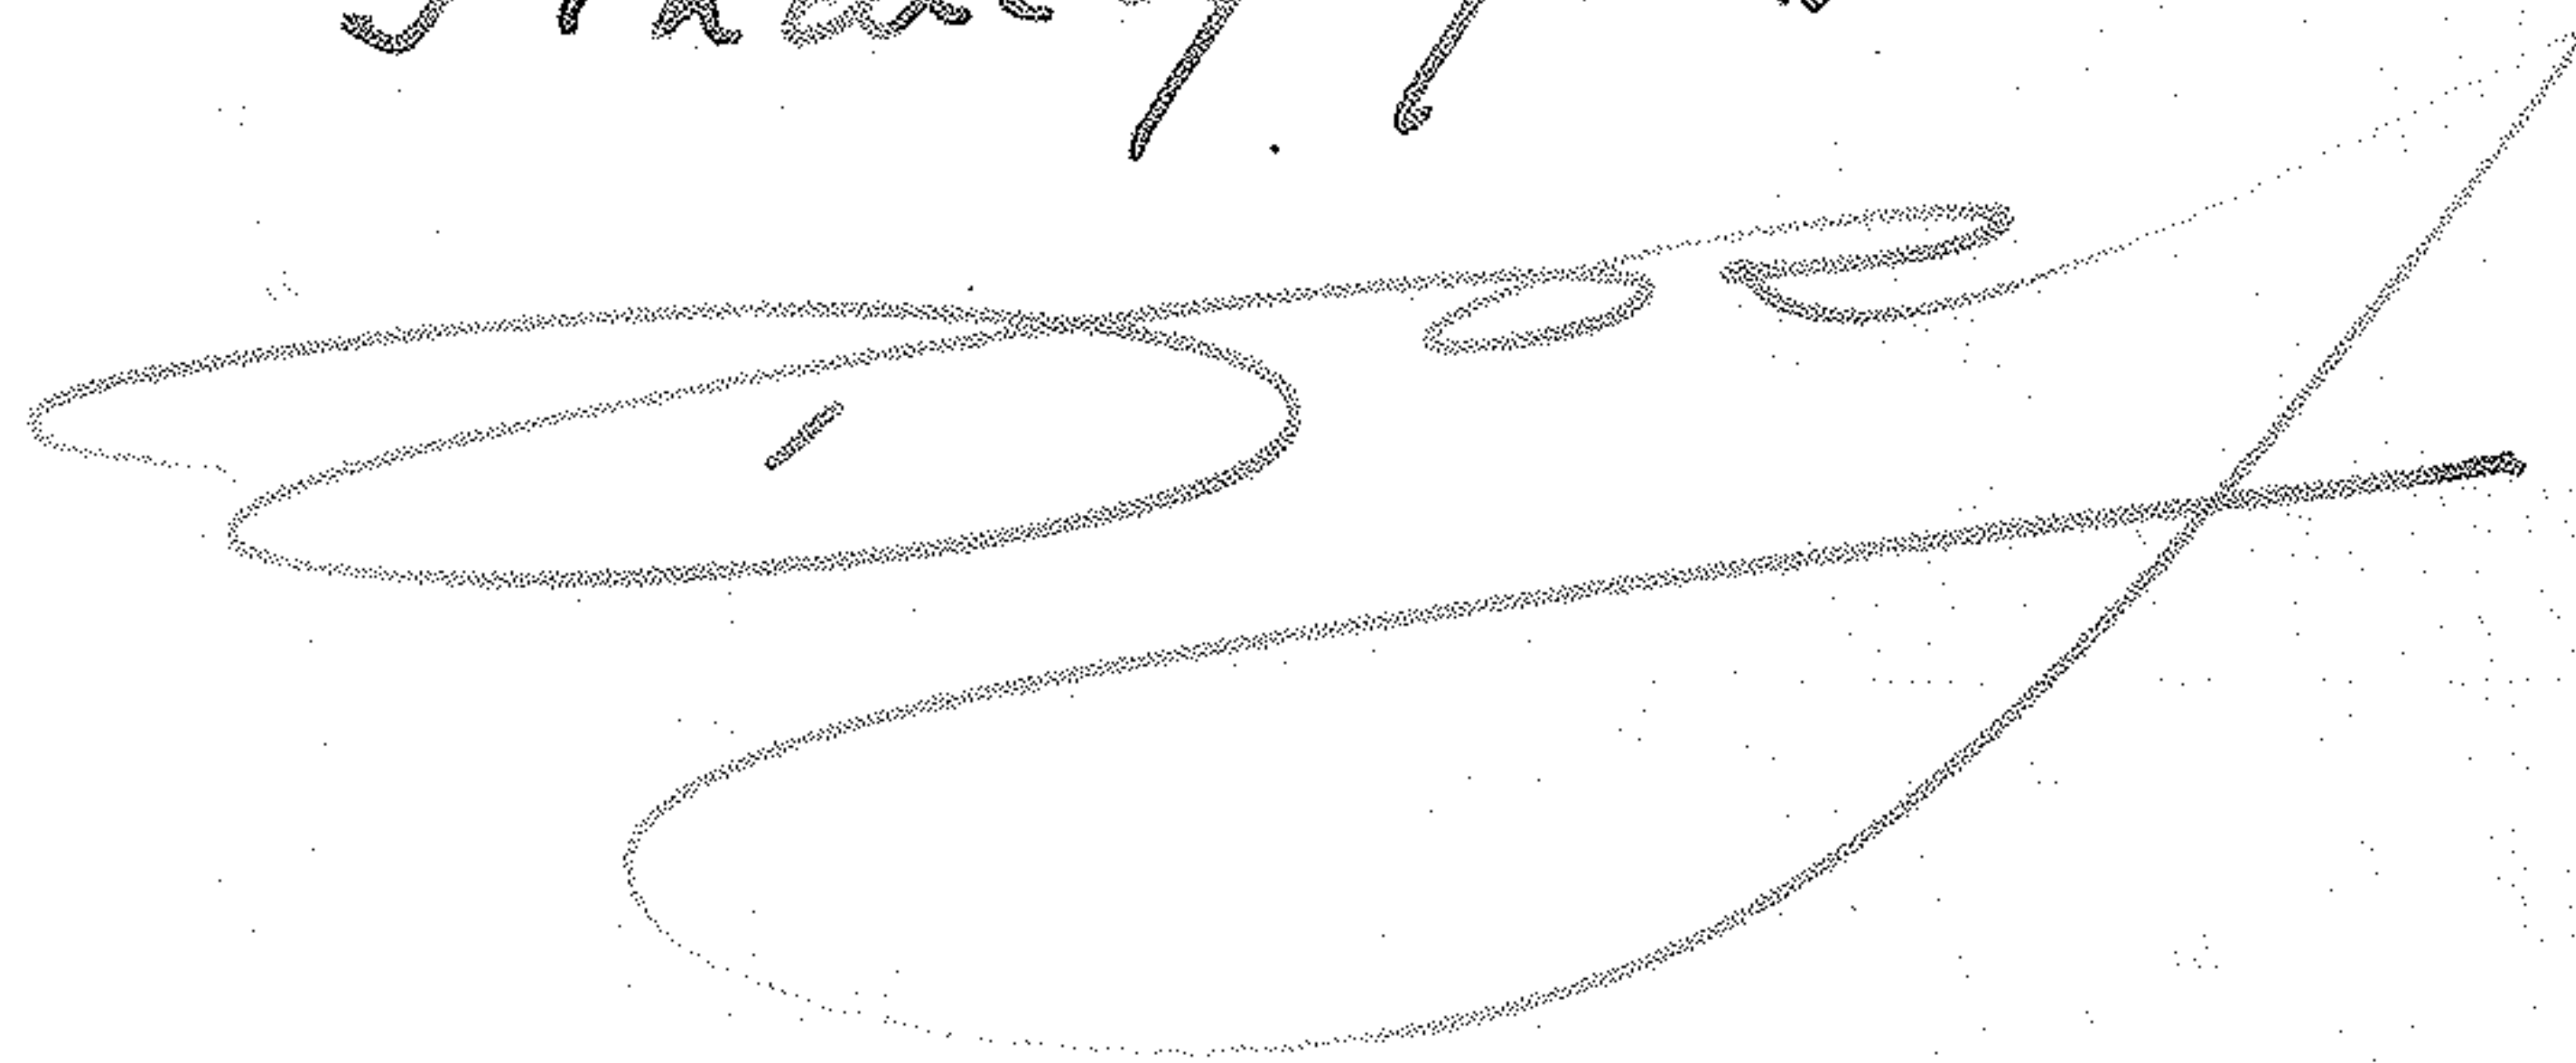

Mr. Meas Kim On Vice-President "

Mrs. Sam Momy Secretary general and President of the information  
committee

Best wishes to you all

and happy new year

Sincerely yours

Also enclosed the last leaflet of our League
