Mr. President,

On behalf of the Cambodian people and on my personal behalf, I am most honored and happy to extend to you my heartfelt congratulations for your election as the 43rd President of the United States of America. The Cambodian people consider the USA as the only world power that has been unwaveringly upholding human rights, democracy and progress throughout the world. We are convinced that under your leadership the USA will strive even harder to meet the legitimate expectations of all those who fight for freedom and the advancement of mankind.

With my respectful regards,

Sam Rainsy
Member of Cambodia's Parliament
Leader of the Opposition
