Bertil,

Please confirm that the ECCT program next wednesday is on Cambodia and that you want Munthit to speak on the panel.

Munthit is interested in participating and we are proceeding with securing him a passport. If the program is not on, we will hold off on going to the Thai embassy for the visa.

Please let me know today what is up. Also, can you still cover half his airfare, pick him up at the airport and give him a bed for two nights?

Regards,

Michael Hayes
