Dear Michael:

I could have delivered my letter to you in seven months, not the nine the postal authorities took, as I was in Phnom Penh in early December. I went on a temple tour near Angkor Wat with the Siam Society. Lovely trip. I sent regards to you and Kathleen through someone there, but I can't now remember who it was.

I am subscribing to your paper now and you should receive the order soon. I was surprised to find out I hadn't already done so.

I don't have any plans to return to your city soon, but if you and Kathleen are in mine, give a call.

With all good wishes.

Sincerely,
