When every heart, joins every heart, and together yearns, yearns for liberty,
That's when we'll be free. When every hand, joins every other hand, and together,
yes together molds our destiny, that's when we'll be free. Any hour, any day, the
time soon will come when people, they will live in dignity, that's when we'll be
free. When everyone joins in our song and together singing, singing harmony,
that's when we'll be free. --- Oscar Peterson
