5. Several university faculties are running far behind schedule in submitting their budget proposals to UES authorities. The UES officials see this as a tactic of PCES members and sympathizers to render the new budgetary plan useless. Fabio Figueroa, well-known extreme leftist leader and the Dean of the Sciences and Humanities Faculty, is opposed to the PCES plan and has refused to endorse it. PCES leaders are again attempting to set the stage of a UES-GOES confrontation in January and February 1971.
