To Whom It May Concern:

The Phnom Penh Post, a fortnightly, English-language newspaper published in Cambodia, is looking for some firm that can help us distribute the newspaper in the U.S.A. I am primarily interested in distribution in Southern California among the overseas Cambodian communities in the Long Beach area.

I saw your address in a newsletter focused on Indochinese refugees, and am wondering if newspaper distribution is something you get involved with?

If you have any interest in this undertaking, or if you have any information on who or what company might be able to assist us, I would greatly appreciate a reply to our Bangkok address listed above.

Thank you in advance for your consideration. A copy of the Post is enclosed for your reference.

Sincerely,

Michael G. Hayes
