Seattle	The University of Washington Major Institution Overlay Zone is generally bounded by NE 45 th Street on the north, Mary Gates Memorial Way NE and the Center for Urban Horticulture on the east, Union Bay, Portage Bay and the Lake Washington Ship Canal on the south, and 15 th Avenue NE, Roosevelt Way NE and the Ship Canal Bridge on the west.	The University of Washington Seattle Campus Master Plan will guide development on the Seattle Campus, building on the 2003 Campus Master Plan and extending the continuity of planning developed over the last century. The Campus Master Plan will include guidelines and policies for new development on the campus. It will be formulated to maintain and Campus growth is needed to accommodate the projected growth in students, faculty, staff, and expanded research opportunities. The scope of the Campus Master Plan Update includes defining open spaces, circulation patterns, building sites and campus physical capacity along with planned growth. Both the City and the University recognize the need for coordinated development and conservation planning that allows the University to continue to pursue its instruction, research and service goals. At the same time, the planning process is intended to foresee, assess, and outline mitigation measures for the direct, indirect and cumulative impacts of development. The anticipated outcome of the planning process is to maximize the positive impacts and minimize adverse impacts upon the City, communities surrounding the University and promotes the health and vitality of the residential, business and academic communities.
