Motet: Exsultate, jubilate

Mozart

Exult, rejoice
O happy souls,
And with sweet music
Let the heavens resound.

The lovely day glows bright,
Now clouds and storms have fled,
And a sudden calm has arisen for the just.

And Thou, O Crown of Virgins,
Grant us peace.

Alleluia

Nachtgang

Strauss

We walked through the silent night. The moon shed its
rays about your head, and you appeared to me as a saint.
I kissed you gently. My soul was weeping.

Schlechtes Wetter

Strauss

It is bad weather! It rains and storms and snows. A little
mother is walking home. I think she has bought flour and milk
and butter to make a cake for her little daughter, who sits
safely at home.

Mit deinen blauen Augen

Strauss

When with thy blue eyes thou lookest lovingly at me, my spirit
is in a dream world; I cannot speak,

Heimliche Aufforderung

Strauss

Come! Lift the cup and drink at the feast. Then, leave the
festive scene and come to the garden, where I will await you.
