It has been a privilege for me to have worked with so many fine young students at the University of Washington for the past seven years, with this year having been extra special. Deep gratitude and especial thanks to Alex, Mo, and Jeremy for being such fine people, in addition to being exciting and talented clarinet players! And we couldn't have done any of this without the talents and skills of our friend and colleague Peggy: thank you SO much for all of your artistry, and your generosity of time and effort. Wishing each and every one of you all the very, very best tonight and always!!!
