Subject ORGANIZATION CHANGE
ENGINEERING PHYSICS DEPARTMENT

Effective June 1, 1983, T. J. Doherty will assume the responsibilities of Associate Manager of the Applied Mechanics and Structures Section supporting Merv Bampton.

Terry's duties and responsibilities will specifically include:

(1) Assist the Section Manager in developing new research and development opportunities.

(2) Assist in staff development reviews and appraisals.

(3) Assist with the allocation of manpower and the effective utilization of section resources.

It is expected that the above duties and responsibilities will occupy approximately one-half of Terry's time, and will be in addition to his continued support of the Underground Energy Storage Program.
