Subject WORD PROCESSING SUPPORT FOR PNL-4659 AND PNL-4567

I, along with the other authors of PNL-4659 (Ground-Water Surveillance at the Hanford Site for CY-1982) and PNL-4567 (Guidelines for Ground-Water Monitoring Programs at Department of Energy Facilities), would like to thank you for your help in producing these two reports. We know that you worked very hard on these reports under some tight deadlines. Your willingness to work late and your conscientious efforts to make the reports look as good as possible are appreciated. We look forward to working with you again on future reports.
