Subject Cost Accounting System Study Presentation

4-14-83

We have been studying possible changes to the cost accounting system and are now at the point where your input is needed to determine what changes, if any, should be made to the system. You are invited to attend a presentation of the study by John Zwiener.

We recommend that key personnel from your organization such as program managers, department managers, associate managers, and your financial specialist attend one of these meetings.

The LSL-II, Room 1220, has been reserved for April 20 at 8:30 and April 21 at 1:30. Sessions will be about two hours in duration. Please call your reservation to Betty Hamblin on 375-2864.
