Subject Organizational Announcement - Geosciences Research & Engineering Department

Effective January 17, 1983, Dr. R. A. Stokes will become the Associate Department Manager for Research. In this position, Bob is responsible for development of our staff and for the technical quality of our work. Bob's former section, Geophysics and Space Sciences, will be combined with the Soil Physics and Geology Section to form a new section, Earth Physics and Space Sciences. Dr. J. A. Stottlemyre will be the manager of this new section.
