Subject Hanford Environmental Surveillance Program - Quarterly Planning Meeting

An environmental surveillance activities quarterly planning meeting will be held on Tuesday, November 16 at 2:00 p.m. in the Conference Room of the 318 Building, Trailer 3. The following general items will be discussed:

-current and planned contractor operational activities of potential significance relative to the design and operation of the Hanford Environmental Surveillance Program.

-forthcoming reports relating to Hanford environmental control/ environmental surveillance activities,

-requests for special environmental studies, assistance, program upgrades, etc.,

-changes in contractor environmental control or site environmental surveillance programs.

Specific items to be included in discussions are:

-Hanford Environmental Surveillance Program wildlife sampling upgrade,

-Replacement environmental dosimeters,

-Environmental air sampling for nonroutine release.

If you have any questions or additional items to be placed on the agenda, please call me at 376-3787.
