Subject Service Assessment Budgets

Jerry Yesberger phoned this morning and mentioned that the Service Assessment Budgets for FY-83 look as follows:

Calibrations	$ 258K
Emergency Preparedness	$ 347K
Environmental Evaluations	$2,491K

If I remember our dollars correctly for Emergency Preparedness and Calibrations, budgets are at the technical minimum and the Environmental Evaluations budget is at the recommended.

Jerry has asked us to keep these figures under our hats.
