Director
Pacific Northwest Laboratory
Richland, Washington

Dear Sir:

FY 1983 SERVICE ASSESSMENT POOL

Funding for the FY 1983 Service Assessment Pool (SAP) budget has been established at $5,055,000 and is detailed by activity as follows:

	Entered	($ in Thousands)	Recommend.	Current
		Technical Library	$1,028	$1,025	
		Meteorology and Climatology	840	869	
→		Radiation Standards and Calibrations	258	— 258	
		Wildlife Census	52	57	
→	347.0	Emergency Planning and Preparedness	347	— 525	315
→	1388 Surf	Environmental Surveillance	2,491	— 2642	2374.0
→	987 GW	Dose Overview Program	39	→ 39	
	2375	Total	$5,055		

Guidance on the Emergency Radiation Detection System will be provided at a later date.

The responsible RL division will be scheduling a meeting with PNL to define the scope of effort consistent with the above funding levels.

If you have any questions or if additional information is required, please advise.

Very truly yours,

J. J. Sutey, director
Budget Division
