Subject Year-End Closeout of FY-1981 Work Orders for the Ground-Water Program

Please close out the below-listed work orders, effective October 1, 1981. These represent all work orders currently in effect for the Ground-Water Program. New work orders will be issued for FY-1982.

Some work orders to be closed out are for work which will be continued during FY-1982 under a newly-assigned work order number. We will send a memo to you soon which will indicate the new work order number replacing the old closed out work order.
