Subject CIRMIS SEPTEMBER MONTHLY REPORT

Data Base Maintenance

The September data base update was made with data from June and July. All contaminant data for the 200W and 200E wells will be listed on the line printer on request from Scott Wilber, RHO. Tritium data was listed from years 1960, 1966, and 1967 for Leigh Prater.

Funding (as of September 12)

$3.2K/$101K
