Dear Dr. Elle:

ENVIRONMENTAL SURVEILLANCE PROGRAM TECHNICAL REVIEW

We have completed our response to the technical review of the Environmental Surveillance Program. Attached is a copy of Monte Sula's letter to me detailing our proposed actions.

There is a wide range of work to be completed, and Monte will report to me quarterly on his progress. All of the actions will be on a best-effort basis seeking to meet the milestones as shown in Monte's report. You should consider those milestones as PNL internal milestones rather than commitments to RL. I will also forward to you quarterly reports on our progress.

Please feel free to contact me at the above phone number or Monte Sula at (376-3787) if we can be of further assistance.

Very truly yours,

for P. E. Bramson, Manager
Environmental Evaluations Section
