Subject Year-End Closing of FY 1984 Work Orders for the Ground-Water Program

Please close the below-listed work orders, effective October 1, 1984. These represent all work orders currently in effect for the Ground-Water Program. New work orders will be issued for FY 1985.

Some work orders to be closed are for work which will be continued during FY 1985 under a newly-assigned work order number. We will send a memo to you which will indicate the new work order number replacing the old closed work order.
