Subject Safety Appraisal of O and EP Department Facilities

Members of Laboratory Safety Department will be conducting an appraisal of the O and EP Department's Facilities during August.

The appraisal will cover the following safety disciplines: Radiation Protection, Radiation Generating Devices, Criticality Safety, Emergency Preparedness, Fire Protection, Industrial Hygiene, Industrial Safety, Shipping and Waste Management, as well as three other categories: Safety Documentation, Incident and Accident Reporting and Safety Communications and Program Planning.

The Appraisal Team Members are Andrew Mileham (Team Leader), James Denovan, Donna Lucas, Richard Jaquish and William Carlyon.

I would like to explain the appraisal process we will be using this year at either a meeting with you, your facility coordinator and your Section Managers, if you have a staff meeting scheduled early in August.

I will be contacting you next week to set up an appointment.
