Pacific Northwest Laboratories

Date July 19, 1984

To List II

From W.R. Wiley

Subject D.E. Olesen Reception

A farewell social is being arranged for Doug and his wife, Michaele, and I'd like you to join us.

We have reserved the Auditorium next Friday, July 27, from 4-6 p.m. It's a casual drop-in affair -- an opportunity for you and other representatives of BNW management to convey best wishes to our new Executive Vice President.

Please join us, and feel free to invite members of your organization who are personally acquainted with Doug. We want to recognize Doug's advancement, and give both of them a positive Northwest send-off.

Refreshments will be served.
