Dear John:

Thanks for helping to arrange the one-day visit of Gary Hayes (Assistant Superintendent, Health Protection), Kenneth W. Crase (Technical Supervisor, Health Protection), and Norris D. Johnson (Technical Supervisor, Health Protection). They will arrive on June 28, 1984.

Ken Crase plans to spend the day discussing the Battelle environmental monitoring and in-vivo counting programs. Gary Hayes and Norris Johnson would be interested in your training programs, emergency operating center, Radiological Assistance Program vehicle and dosimetry operations. Hayes and Johnson are making arrangements to visit the Purex Plant for a few hours on June 28.

I appreciate your efforts in making the visits possible.

Sincerely yours,

Bill Reinig
