Dear Mr. Mathur:

Enclosed are revised Chapters 4 and 5 of the ground-water protection guidelines document. We have addressed or incorporated most of your comments and recommendations in the revised chapters. The few required changes are now being made in Chapters 6, 7, and 8. We intend to start the document through clearance next week in order to meet our deadlines.

Please call me if you have any questions or if there are additional changes that you wish to have incorporated into the document.

Sincerely,

J R Raymond
