SUBJECT: DBase II software

It has been brought to our attention that Ashton-Tate is offering a free tutorial for D-Base II Software packages purchased after 10-1-83. Your D-Base II software received on the above purchase order qualifies for the free tutorial, provided that: 1) The warranty/registration card has been sent in, and 2) The serial number of the D-Base software is furnished when requesting the tutorial.

If you would like this training aid to assist you in learning D-Base II, just sign below and fill in the serial number of your D-Base software.

Paul A Eddy
