Subject Equipment Verification

The attached control card(s) indicate equipment which is in the process of being transferred from RHO to PNL for property management functions. This is a mandatory transfer as required by changes in the Hanford Services Handbook.

Please check the card(s) for accuracy and make any necessary changes. Write your signature and payroll number above your typed name - or if you are not the subcustodian, change the card to reflect the correct subcustodian name(s) and have them add their signature and payroll number to the changed card. This indicates that the equipment is in their custody. These equipment items will be added to our computerized property listing and will appear on future quarterly sensitive runs. Please return the completed cards to:

PNL Photography
Room 380
Federal Building

Thanks for your help. If you have questions, please call MS Porter on plant extension 6-7291.
