Thursday, December 8, 1983

7:30- 9:00 a.m. Breakfast meeting of planning and program committees with moderators and session leaders to discuss "Where We Go from Here."

9:00 a.m. - 3:00 p.m. Special meeting of personnel from states implementing computerized fish and wildlife information systems — To follow up on meeting of May 2-3, 1983 at Columbia, MO. Meeting open to all interested personnel.

Registration

The fee for this conference is $35, which includes coffee breaks, an evening social, workshop materials, and administrative costs. To register, please return the registration form to the address indicated, or call (703) 961-5182. **Advanced registration is urged.**

Requests for refunds of prepaid enrollments will be honored if received ten working days prior to the starting date of the conference. However, names of individuals to attend the conference may be substituted at any time.

Location and Lodging

This conference will be held at the Donaldson Brown Center for Continuing Education, located in scenic southwest Virginia on the Virginia Tech campus. The Center is one of the leading residential learning centers for adults in the United States. All lodging rooms are attractively furnished and equipped with individually controlled heating and air-conditioning, private baths, color TV, and study desks. Telephone switchboard service is provided day and night.

A block of rooms has been reserved at the Center for conference participants. Conferees may reserve lodging for themselves by completing the appropriate form. Rooms will be held until 6 p.m. Checkout time is 2 p.m. Participants will pay for lodging and services upon departure. LODGING RESERVATIONS SHOULD BE RECEIVED BY NOVEMBER 21, 1983.

Transportation

The Donaldson Brown Center is accessible by air and bus transportation and is easily reached by automobile. Roanoke's Woodrum Field is approximately 45 minutes away. Limousine and taxi services are available at the airport and three major car rental agencies are located there. The Blacksburg Limousine Service offers regularly scheduled transportation between the airport and the Donaldson Brown Center and area motels. Reservations may be made by completing the registration form or by calling (703) 951-3973.

An option worth investigating is flying to Washington, D.C. or Greensboro, North Carolina and renting a car for the 4-5 hour drive through the scenic countryside. Air rate into Washington or Greensboro is often much lower than into Roanoke.

Blacksburg is southwest of Roanoke on U.S. 460. From the east, Route 460 is reached by Interstate 81 and U.S. 11 at Christiansburg. The Virginia Tech campus borders U.S. 460, which is Blacksburg's Main Street, and the 460 Bypass. The Center is located in downtown Blacksburg, two blocks off Main Street at the corner of College Avenue and Otey Street. Convenient guest parking is available for conference participants.
