Subject Personnel Reassignments

Effective January 30, 1984, Don Williams, Manager of the Energy Systems Department, will transfer to Government and Industrial Programs reporting to Dennis Cearlock. In this new assignment, Don will be responsible for managing the development and commercialization of Intellectual Property. He will also be responsible for focusing the Laboratory resources to enhance our research with NRC.

Rod Fleischman, Manager of the Nuclear Energy Systems Section, Energy Systems Department, will replace Don as Manager of the Department.
