

# To Infinity and Beyond!

11<sup>th</sup> Annual

## Graduate Student Symposium

*Integrating elements of environmental and forest sciences*

**DATE CHANGE: Now Friday March 14<sup>th</sup>, 9am-5pm**

The Forest Club Room, Anderson 207

- Morning keynote presentations by leaders in the field
- Graduate Students - present your research (preliminary findings and proposals are encouraged).
- Undergraduates - Poster Presentation and Competition.

*\*Your chance to learn, grow, network, practice presenting,  
get feedback from faculty and peers, and be recognized!  
Come see and share what we do here at SEFS!*

For more information and to learn how to apply to present your research visit
