[5] KOREA (1:19)
NODLE KANGBYON WALLACE HORNADY (arr.)
(BESIDE THE NODLE RIVER)

Beside the Nodle river
a willow tree in springtime.
To the wavering branch
we shall firmly fasten time,
which passes with indifference and apathy.

Eheyo! (an outcry)

Even the swaying willow tree
We can't rely on
We can only trust the blue water
that is going by itself
self-sufficient, self-reliant.
