PUBLIC NOTICE UNIVERSITY OF WASHINGTON

Pursuant to the provisions of RCW 43.21C, WAC 197-11-455 and 510 and WAC 478-324-140, the University of Washington hereby provides public notice of the:

AVAILABILITY OF A DRAFT SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT (DSEIS)

Project Name: North Campus Student Housing Project

Proponent: University of Washington

Description: The proposed North Campus Student Housing Project represents Phase IV of development identified in the Comprehensive Housing Master Program and would include the replacement of McCarty and Haggett Halls with four new student residence halls, as well as the development of one new student resident hall on the site of the existing tennis courts surrounding Denny Field. Hansee Hall and McMahan Hall would remain in their current location and no changes to these buildings would occur as part of the project. Approximately 2,942 student beds, residential community spaces, new open space improvements, regional amenity spaces and parking would be provided as part of the project. The project would provide an increase of approximately 1,366 student beds when compared to the existing North Campus housing capacity.

Location: The approximately 12.6-acre proposed North Campus Student Housing Project site, which includes Development Sites 7C, 8C, and 71C (Seattle Campus Master Plan 2003), is located on the north edge of the Central Campus of the University of Washington and is generally bounded by vegetated areas and NE 45th Street to the north; vegetated areas, the North Physics Laboratory, University Parking Area N12, and Pend Oreille Road to the east; McMahan Hall, and the Intellectual House to the south; and, Hansee Hall, Hutchinson Hall, Lewis Hall, Klickitat Lane, the Hughes Penthouse Theater and the IMA Archery Field to the west.

Lead Agency: University of Washington

Public Hearing: A public hearing has not been scheduled for this project. The provisions of WAC 197-11-535 shall apply.

Comment Period Ends: October 14, 2015
