RED-FLAG COMMUNISTS' PEACE DELEGATION ARRIVES: A 17-member Peace Delegation of the Red-Flag Communist Party, headed by its President Thakin Soe himself, arrived in Rangoon yesterday for talks with the Revolutionary Council. Thakin Soe is the first top-line leader of a major underground organization to have come for peace parleys with the Government in response to the recent peace overture.

Picture shows the Delegation shortly after arrival at the Mingaladon Airport. Thakin Soe can be seen in checked *longyi* in about the centre of the row.
