Dear Ippei,

Rather than having you submit an online approval, please sign above your typed name on the attached dissertation approval form.

Once Camilo receives this back from you, he can complete the remaining fields and upload it into the UW ETD Administrator's Administrative Documents "supervisory committee approval form" slot.

Thank you for your patience once again as we troubleshoot the login issue.

Regards,

Kim

Hi Kim,

Nichole Fernkes said that Professor Fujiwara can sign the old dissertation reading approval form (attached). Then he should please give it the student, who can upload into the UW ETD Administrator's Administrative Documents "supervisory committee approval form" slot.

With kind regards,

Jennifer Simpson

Hi Kim,

I am glad that finally, there comes a solution to approve Camilo's dissertation. I herewith attach the form with my signature.

Best,
Ippei
