**PRESS RELEASE**

**EPI VACCINES: DONATION TO UNICEF**

In response to an urgent appeal by the Royal Government of Cambodia for the supply of EPI vaccines, the Government of the United Kingdom is pleased to announce a donation of \$600,000 to UNICEF in Cambodia. \$383,000 of this grant will be used for EPI vaccines and \$217,000 will be used by UNICEF in 1996 and 1997 to further develop and improve the control of diarrhoeal diseases (CDD) and acute respiratory infections (ARI) programmes.
