THE ARTISTS

Acclaimed as major artists in the United States and abroad, duo-pianists Neal and Nancy O'Doan performed together while studying in California and subsequently at the Juilliard School of Music, under Rosina Lhevinne and Martin Canin. In addition to performing the major concertos and solo works for two pianos, the O'Doans have commissioned and premiered new compositions and have presented little-known works of major composers. The remarkably fine style and musicianship of the O'Doans has been enthusiastically praised by international critics.

In January the O'Doans recorded with the Royal Philharmonic Orchestra the Concerto for Two Pianos and Orchestra by Martinu. They have also recorded with the English Chamber Orchestra both Concertos for Two Pianos and Orchestra by Mendelssohn.
