1. About mid-September 1971, the Communist Party of El Salvador (PCES) sent Napoleon Hernandez Maniga to the Soviet Union to request financial assistance for the electoral campaign for the 1972 national elections in El Salvador. Hernandez has been designated custodian of the campaign funds and will supervise the expenditure of these funds. He will be in charge of a special group which will work closely with the political commission of the PCES.

2. The PCES expects that Hernandez will return to El Salvador about 30 October 1971. He probably will return by way of Switzerland, France, Canada, and Mexico. When travelling through the bloc countries and the Soviet Union, he will use special documentation but he will use his regular passport upon reaching Switzerland and for the return travel.
