

WELCOME!!!

The concert in which you are about to participate is the culmination of many years of effort. Between performing on the road and in Seattle, attending three colleges (Western, Cornish, and the University of Washington), and having a son, I've managed to write some material which I intend recording as soon as finances allow. (Contributions, anyone?) It is this original music -- my life story, so to speak -- which, with the collaborative efforts of friends, I have put together for you tonight.

Many thanks to Milo Forman, my "main man"; Mark Andrew Beals, poet, Bard, free-spirited drummer; Esther "Little Dove" John, flutist extraordinaire; Rick Leppanen, a "godsend" bassist; Roy Cummings, caring advisor; Martha Berry, who "wrung every last note from me!"; Margo, dignified pro; and Joe and Cheryl.

This performance is dedicated to my parents
