FOLKLIFE

I. Nature...

1 Im Grünen Op. 59, No. 1 Felix Mendelssohn-Bartholdy
In the country 2'46 (1809-37)

The fields inspire the lively soul, when blue the heavens shine;
In fields of green, the soul can find whatever the heart delights.
Why seek the houses' prison walls, O foolish child of man?
Come, feel here, under leafy trees, how sweetly breezes play.
The lovely child will play for you his wondrous song of love:
He'll take your deepest grief with him, you'll know not where he hides.

When your mother bore you and brought you into the world, she gave you no

Wait for another flame, because for me, you are dead.
