## *People's Committee Welcomes Arrival Of BCP Reps.*

**From Our Staff Reporter**

The People's Committee yesterday welcomed the arrival in Rangoon of an advance party of BCP representatives for peace parleys with the Revolutionary Government.

The People's Committee appealed to both sides to profit by the experience of previous peace parleys and show patience and sincerity in seeking internal peace. At the same time, both sides should not forget that they are meeting as equals, free to put their own views but ever conscious of the need to thrash out a solution to achieve agreement, the Committee pointed out.
